Our members who purchased the engine kits have not approached Colt about the cams that they wanted, ???, Does anyone know who might have gotten this free part without our permission.

Trophy's & Prizes:

- Due to numerous rain-out over last two years we have got two seasons from the stock we had.
- We will be soon putting in an order for next years batch, Kevin Moore will again organize this for us. Any thing in particular you would like to see, run it by Kevin.
- Also, *please* try to help solicit prizes from your local suppliers, so we can give them out to our winning student drivers at our series races. Every little bit helps and you would be amazed at how these businesses are willing to help our program.

RCMP Background Checks:

- We would like to remind BCSSMA teachers that if you have parent or sponsor helpers that they should get a criminal records check. We are told there is no charge if the RCMP know it is for a school activity.
