The **HS** (High School) class is intended as an entry level into **NHRA** (National Hot Rod Association) sanctioned competition. The **HS** class rules have been purposely kept simple. The BCSSMA (British Columbia Secondary School Motorsport Association) wants to encourage all students to participate, regardless of car type or finances and on an equal footing. The BCSSMA is a group of B.C. teachers dedicated towards promoting safety and career awareness through student involvement in motorsport competition.
