

*Organizing High School Drag Racing in B.C*

## ***Getting Started Checklist***

- Obtain membership to the BCSSMA by completing and mailing in Membership form.
- Adopt another member school in your area or district to help you.
- Schools in your district wishing to participate **MUST** make a formal presentation to your local school board for approval to participate in the High School Drag Racing program. *(this qualifies your school as an approved activity under the insurance carrier for BC schools)*
- BCSSMA high school races **MUST** only take place on NHRA/ IHRA approved tracks. The 3 approved tracks in BC are:
  - Mission Raceway Park (NHRA)- Mission, BC
  - Eagle Motorplex (IHRA)- Ashcroft, BC
  - North Central Motor sport Park (IHRA) - Prince George, BC
- Arrange for an informational meeting with the parents or legal guardians of all students involved in driving a car or as a passenger in a racecar. Explain the racing program to them and answer their questions. Have the parent or legal guardian fill out the required waiver forms and sign them. The sponsor teacher or an administrator must witness these signatures.

### **READ AND UNDERSTAND THE RULES AND REGULATIONS OF THE BRITISH COLUMBIA SECONDARY SCHOOL MOTORSPORT ASSOCIATION**

**PARENTS AND STUDENTS MUST BE AWARE THAT THE SCHOOL DISTRICT IS NOT RESPONSIBLE FOR LOSS OR DAMAGE TO VEHICLES IN TRANSIT TO OR FROM, OR WHILE RACING IN MOTORSPORT EVENTS, AND THAT MOTORVEHICLE (ICBC) COVERAGE IS NULL AND VOID WHILE THE VEHICLE IS PARTICIPATING IN A MOTORSPORT EVENT.**

- All students having completed the necessary waiver forms will receive, from their sponsor teacher, a BCSSMA driver's card. This card and their *valid* BC driver's license must be available at all races in which they plan to participate.
- **The above checklist is by no means complete.** For a list of all the rules and regulations, you should obtain a current copy of the NHRA / IHRA rules handbook, which can be obtained from most automotive supply outlets. Also, please see the **Vehicle Tech** page (found on this web index page) for the TOP 12 MOST COMMON PROBLEMS. Also, please see the **BCSSMA Rules** and Race Procedures page.
